Report of Principal and School Improvement Council

Ralph Chandler Middle School opened its doors in August 2008 to serve families in the Simpsonville and Fork Shoals communities. RCMS is a family-friendly school where parents, community, and staff work to create a school climate that fosters academic rigor and high expectations. During our first year we served 560 students. Our third year concluded with an enrollment of 730 students.

Our professional school staff consists of 36 teachers, 9 support staff members, and 3 administrators. 100% of our staff is highly qualified and 5 staff members have met the requirements for National Board Certification. Of the professional staff, 67% have less than 10 years' teaching experience, but 50% of them hold Master's degrees.

The results of our most recent state assessment indicated that 72.3% of our students met or exceeded the standard in ELA and Math. These results showed a significant improvement from the previous year and earned our school a report card and improvement rating of Good, which is up from our previous ratings of Average. Technology integration continues to be a focus for teachers and is an integral part of daily instruction. Data analysis including our review of benchmark tests and MAP scores allowed us to provide rigorous academic experiences for our students and continues to be the foundation for professional development for our teachers.

Our students excelled this year in a variety of areas: 50% of our students were recognized on honor rolls during the year; 17 - 8th graders qualified as Junior Scholars; 71- 7th graders qualified for the Duke Talent Identification Program. 50% of our students were enrolled in advanced classes. In addition our orchestra achieved a Superior rating at the Carowinds Festival of Music and an Excellent rating at the Disney Festival. Two athletic teams qualified for the district playoffs in their individual sports. More than 50% of our students and parents participated in our first year of student led conferences.

Parent leadership organizations such as the PTSA and SIC continue to actively support our school. Through the fundraising efforts of PTSA, teachers were awarded over \$8,000 in grants to supplement classroom resources during this past year. SIC has written local and state grants to strengthen the mentoring program that allows for at-risk students to have experiences within the community that they would not otherwise be afforded.

Our mission, vision, and goals support our work to raise academic achievement for our students. For more information concerning our school, please visit our website at <http://www.greenville.k12.sc.us/chandler/>.
